# SECTION 7 - CONDENSED PARTS LIST

---

## DURATHERM

| <u>PART NO.</u>        | <u>DESCRIPTION</u>                                       |
|------------------------|--|
| 006-256                | Motor Starter 120V Coil Contactor                        |
| 006-257                | 40 Amp Heater 120V Coil Contactor                        |
| 006-260                | 1.0 - 2.9 Amp Overload (Refer to Motor Name              |
| 006-261                | 1.6 - 5.0 Amp Overload Plate Information for             |
| 006-263                | 3.7 - 12.0 Amp Overload Proper Overload)                 |
| 008-005                | 0-160 PSI Pressure Gauge, Suction and Discharge          |
| 011-020                | 18 KW Heater Element (for 460 and 380 Volt Units)        |
| 011-021                | 24 KW Heater Element (for 460 and 380 Volt Units)        |
| 011-023                | 9 KW Heater Element (for 230 and Derated 208 Volt Units) |
| 011-024                | 18 KW Heater Element (for 230 and 208 Volt Units)        |
| 011-025                | 24 KW Heater Element (for 230 and 208 Volt Units)        |
| 011-026                | 9 KW Heater Element (for 460 and 380 Volt Units)         |
| 011-029                | 9 KW Heater Element (for 575 Volt Units)                 |
| 011-030                | 18 KW Heater Element (for 575 Volt Units)                |
| 011-031                | 24 KW Heater Element (for 575 Volt Units)                |
| 011-036                | 9 KW Heater Element (for 208 Volt Units)                 |
| Pump Replacement Parts |  |
| 018-224                | Seal Assembly (Ni-Resist)                                |
| 018-232                | Seal Assembly (Silicon-Carbide)                          |
| 019-036                | Canister Gasket  |
| 022-038                | Start/Stop Button  |
| 022-187                | Low Pressure Safety Switch                               |
| 023-090                | High Temperature Switch                                  |
| 025-085                | Adjustable Relief Valve                                  |
| 040-002                | Type J Thermocouple                                      |
